There seems to be some blight affecting the bloom of the beautiful Punciana Regia this season, for of all the trees in the city but few have blossoms enough to attract attention. The one on Hotel street next to the Arlington is a notable exception, and in consequence is a source of wonder and delight to visitors who have never before seen this tree in bloom. King Bros. have made several excellent sketches in oil and water colors of this subject, which are meeting with ready sale.

Singers lead the world. Over 13,000,000 made and sold. Highest awards at the World's Columbian Exposition for excellence of construction, regularity of motion, ease of motion, great speed, adjustability, durability, ease of learning and convenience of arrangement. B. Bergersens, agent, King and Bethel streets.

Seattle is fast becoming a great city. One thing which makes it famous is Seattle beer, which you find at the Criterion. A good thing always makes its mark. This is one of the best things on earth.
